MEMORANDUM FOR: Ad Hoc Requirements Committee Members
SUBJECT: Detailed Requirements for Penetration Flights

1. I am transmitting herewith some materials which I requested the Office of Scientific Intelligence to prepare in connection with the possible coverage of KYZL ORDA area, the TOMSK area, and IRKUTSK.

2. This material is distributed as a basis for discussion of the Ad Hoc Requirements Committee at a meeting Monday, 27 May. You are requested to have available at that time such comments as you care to make, looking toward the objective of providing the best possible guidance to Operations in these areas. The Ad Hoc Requirements Committee has already done this sort of thing on the KLYUCHI area, which I believe will be very useful to Operations.
